

**JAAN 781.** Design: EOOS.

Clear and soft, powerful and charming - Jaan combines apparent opposites. The spacious seat areas of sofa and armchair float on the delicate framework. In a balanced harmony of lightness and weight – the hallmark of the award-winning range. The final touches were given particular attention: it is not only lovers of masterly craftsmanship who will be impressed by the fine fell seam. Elegant occasional tables complete the range.

## Product description

## Design awards

## Armchair and sofas
